Gateway Creative Broadcasting Accredited by National Financial Accountability Organization

ST. LOUIS, MO – The ECFA (Evangelical Council for Financial Accountability) announced today the accreditation of Gateway Creative Broadcasting of St. Louis, MO.

ECFA accreditation is based on the [ECFA Seven Standards of Responsible Stewardship™](#), including financial accountability, transparency, sound board governance and ethical fundraising.

[Gateway Creative Broadcasting](#) joins a growing number of Christ-centered churches and ministries across America, supported by over 27 million donors that have earned the right to display the ECFA seal. When an organization is accredited by ECFA, it demonstrates its willingness to follow the model of biblical accountability.

“We are pleased to accredit a ministry committed to operate two Christian music radio stations in the St. Louis metro area,” said Dan Busby, president of ECFA.

Founded in 1997, Gateway Creative Broadcasting’s (www.Joyfmonline.org) stations’ JoyFM 99.1 reaches adults and Boost 101.9 targets teens and young adults with the gospel.
